## How Children celebrate Christmas

On this page you can read some fun facts about Christmas around the world. Read how kids celebrate Christmas in different parts of the world and get some interesting insights about Christmas traditions and celebrations.

At Christmas, Christians all over the world celebrate the birth of Jesus Christ. Traditional Christmas decoration often can be admired and festive celebrations can be joined in most countries, even in many of the countries where Christianity is not the religion of the majority of people. Christmas trees are a popular decoration as are tiny sparkling lights in windows and on walls.

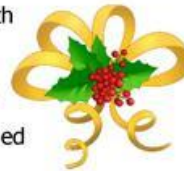

## The History of Santa Claus

Santa Claus, also known as Father Christmas or simply "Santa", is a figure which comes from the Dutch figure of Sinterklaas. He is a historical, legendary and mythological figure who in many Western cultures, is said to bring gifts to the homes of the good children during the late evening and overnight hours of Christmas Eve, December the 24th . The legend is based on

the tales concerning the historical figure of gift giver Saint Nicholas. While Saint Nicholas was originally portrayed wearing bishop's robes, today Santa Claus is described as a plump, jolly, white-bearded man wearing a red coat with white collar and cuffs, white-cuffed red trousers, and black leather belt and boots. This image became popular in the United States and Canada in the 19th century due to the influence of caricaturist and political cartoonist Thomas Nast. In the United Kingdom and Europe, he is identical to the American Santa Claus, but he is commonly called Father Christmas.
